

KAYSCIENCE TUITION TIMETABLE

14 HOURS A WEEK OF LIVE TUITION AS PART OF YOUR KAYSCIENCE ACCOUNT

GUIDELINE TO WEEKLY TUITION LESSONS: Below is the weekly timetable of lessons where you have access to 14 hours of science tuition per week!

- The 4.30pm year 11 lessons Monday, Tuesday and Wednesday are repeated at 7.30pm.
- The 5.30pm year 10 lessons Monday and Wednesday are repeated at 6.30pm - delivered at a slower pace compared to year 11 lessons.
- There are two additional year 11 lessons every Tuesday and Thursday at 5.30pm covering different content to the Monday to Wednesday lessons.
- There is a triple lesson every Thursday at 7.30pm where I go through one subject each week

UK TIME	MONDAY	TUESDAY	WEDAY	THURSDAY	SUN
4:30 pm	4.30pm yr 11 chemistry	4.30pm yr 11 biology	4.30pm yr 11 physics	NO LIVE LESSON AT 4.30pm	
5:00 pm	Repeated at 7.30pm	Repeated at 7.30pm	Repeated at 7.30pm		
5:30 pm	5.30pm yr 10 Science	5.30pm yr 11 science	5.30pm yr 10 Science	5.30pm yr 11 science	
6:00 pm	Repeated at 6.30pm		Repeated at 6.30pm		
6:30 pm	6.30pm yr 10 Science	NO LIVE LESSON AT 6.30pm	6.30pm yr 10 Science	NO LIVE LESSON AT 6.30pm	
7:00 pm					
7:30 pm	7.30pm yr 11 chemistry	7.30pm yr 11 biology	7.30pm yr 11 physics	7.30pm yr 11 TRIPLE	7.30pm GCSE Masterclass
8:30 pm					

All lessons are live exam-question walkthrough classes, covering a range of topics based on the timetable below.
Lessons run Monday to Thursday (plus Sunday) and are taught live by Sami, co-founder and creator of KayScience.com.

Week	Chemistry	Biology	Physics	How KayScience Live Tuition Works Students need: - a pen - paper - a calculator In the lesson: - LIVE teaching by Sami, co-creator of KayScience, where I teach the content focussing on exam questions - students answer real exam questions - Sami provides live feedback - students respond to feedback - students must note down weak topics to work on later
