

# KAYSCIENCE LIVE LESSON TIMETABLE 25/26 JUNE & JULY

**NEW AND IMPROVED KAYSCIENCE LIVE LESSON TIMETABLE TO ARRIVE IN SEPTEMBER!!**

## GUIDELINE TO WEEKLY LIVE LESSONS:

- No more year 11 lessons until September as GCSE exams now finished
- The 5.30pm year 10 lessons Monday and Wednesday are repeated at 6.30pm - delivered at a slower pace compared to year 11 lessons.

| UK TIME | MONDAY               | TUESDAY | WEDNESDAY            | THURSDAY | SUN         |
|---------|----------------------|---------|----------------------|----------|-------------|
| 5:30 pm | 5.30pm yr 10 Science |         | 5.30pm yr 10 Science |          |             |
| 6:00 pm | Repeated at 6.30pm   |         | Repeated at 6.30pm   |          |             |
| 6:30 pm | 6.30pm yr 10 Science |         | 6.30pm yr 10 Science |          |             |
| 7:00 pm | Repeated from 5.30pm |         | Repeated from 5.30pm |          |             |
| 7:30 pm |                      |         |                      |          | 7.30pm GCSE |
| 8:30 pm |                      |         |                      |          | Masterclass |

All lessons are live exam-question walkthrough classes, covering a range of topics based on the timetable below.  
lessons run Monday to Wednesday (plus Sunday) and are taught live by Sami, co-founder and creator of KayScience.com.

## How KayScience Live Tuition Works:

### Students need:

- a pen
- paper
- a calculator

### In the lesson:

- LIVE teaching by Sami, co-creator of KayScience, where I teach the content focussing on exam questions
- students answer real exam questions
- Sami provides live feedback
- students respond to feedback
- students must note down weak topics to work on later

## After the lesson:

### Students should revisit these weak topics on KayScience.com using:

- our bite-size videos
- quizzes
- flashcards
- exam question booklets or Exam Practice feature

### Extra support:

- we have pre-recorded revision lessons arranged by topic for extra exam question practice and teaching

## Benefits of live lessons:

- build confidence with guided exam practice
- improve grades through better exam technique
- get instant feedback that drives progress
- reduce stress with structured revision support
- feel more prepared for exams
- gain clarity on difficult topics
- make revision more focused and effective
- give parents confidence and reassurance
- give teachers extra support for students
