

Properties Of Gases: Gases Vs Bitumen

1. What is fractional distillation?

.....
.....
.....

2. Why does fractional distillation work with crude oil?

.....
.....

3. What are natural gases used for?

.....

4. What is bitumen used for?

.....

5. Why is bitumen suitable for road and roof surfacing?

.....
.....
.....

6. Why are the fractions above bitumen suitable for fuels?

.....
.....
.....
.....
