

Solute, Solvent & Solution

1. What is a solute?

.....
.....

2. What is a solvent?

.....
.....

3. What is a solution?

.....
.....

4. In sugary water, what is the solute?

.....

5. In sugary water, what is the solvent?

.....

6. In sugary water, what is the solution?

.....

7. In saltwater, what is the solute?

.....

8. In saltwater, what is the solvent?

.....

9. In saltwater, what is the solution?

.....

10. In aqueous iron sulfate, what is the solute?

.....

11. In aqueous iron sulfate, what is the solvent?

.....

12. In aqueous iron sulfate, what is the solution?

.....

13. In aqueous calcium hydroxide, what is the solute?

.....

14. In aqueous calcium hydroxide, what is the solvent?

.....

15. In aqueous calcium hydroxide, what is the solution?

.....
